

Billy's Legacy

3rd Annual Golf Outing & Dinner

On November 21, 2006, our family, friends and community experienced a loss when our son and brother, Billy, was killed in a car accident at the age of 17. During his life, Billy touched many lives in many different ways. The love and support that surrounded us at that time was astounding. Billy's Legacy Foundation was established in 2007 to continue supporting what was important to him and to bring our family, friends, and associates together.

On July 10, 2009, the 3rd Annual Billy's Legacy Golf Outing will be held at Broad Run Golf Club in West Chester, Pennsylvania. Through the generosity of people like you, we raised over \$20,000 last year. This money provided the funds needed to purchase audio and visual equipment, computers, and software for the student center at Trinity Assembly of God. 2008 brought the dedication of this area now known as "The Summit." This area has been utilized as a training facility for Master's Commission students preparing for a future in mentoring young people. These students have received specialized training in how to relate to and challenge young people to live their lives to its fullest potential and have a positive voice in their surroundings. They are currently preparing to host an after school program for students ages 11 to 16 in the West Chester area. It was developed as a safe place for students to express their creativity and use it as a positive influence within their community. "As a Brandywine Master's Commission student, the area called "The Summit" has been a privilege and a blessing to call my work area. Not only am I able to do what I love, by working with teenagers every day, I am reminded of the lives that can be touched through an environment that is "open" to everyone. Billy would be proud of a place like this," quoted by Mike M.

Billy's Legacy Foundation will offer scholarships for this program and others like it to remove the financial barrier that may limit dreams and opportunities of our youth today.

Your company or you can help make this event a success by donating a gift of unique value for the silent auction or prize drawings. We also offer corporate sponsorships. By purchasing these sponsorships, your company will receive recognition and will be helping to carry on Billy's Legacy. We appreciate your support and genuinely thank you in advance for your generosity. We are looking forward to sharing this day with you!

Sincerely,

The Bauernschmidt and McCann Families
