

Billy's Legacy FOUNDATION

What a wonderful turn out we had again this year for Billy's Legacy 3rd Annual Golf Outing. This event would not have been the success that it was without the help of everyone that sponsored, submitted auction items, donated, golfed, bid, ate and volunteered. . Billy's Legacy continues to be a healing blessing for us, and then seeing the support that it brings to yield into the blessing for Trinity's youth center is just one way God "brings all things together for good to those that love Him."

Through your participation and donations, this year's event raised \$20,000. We have chosen to expand the blessings of this year's funds. A large portion is continuing to help reduce construction costs for Trinity's youth center. In addition, we are also: providing a scholarship at Henderson High School for a graduating student "that has overcome adversities"; reaching out to Teen Challenge; continuing a scholarship fund for Brandywine Master's Commission; and helping fund youth missions.

In 2009, we saw the Master's Commission double in size. These students are starting to prepare the introduction of an after school program for junior and senior high students in the West Chester area. It is a place designed to help students develop their creativity and passion, through computer training, one-on-one mentoring, and Christian friendships.

The purpose of Billy's Legacy is to be able to provide scholarships for Christian youth programs and/or for supporting teens as they go through challenging decisions. Billy's Legacy Foundation will support these and other organizations like it to benefit our youth in a positive way.

We are already looking forward to planning next year's outing. SAVE THE DATE: July 9th, 2010. We hope you will be able to join us again. To see pictures of this year's outing, visit www.billyslegacy.org.

In loving memory of Billy,

Billy's Legacy Foundation
