

11th Annual Golf Outing & Banquet

Everyone deserves a second chance, but not everyone is able to afford it. Billy's Legacy Foundation provides scholarships and grants to students who need the financial assistance in order to further their learning and become successful members of their communities. These students are choosing life-affirming programs to better themselves, please join us in helping them achieve their goals.

Please join us by giving. You can make our events a success by donating an in-kind donation, being a sponsor or simply donating. You can help us carry on Billy's Legacy by making a difference in a teenager's life. We appreciate your support and genuinely thank you in advance for your generosity.

On **Friday, July 14^h, 2017** Billy's Legacy Foundation will be holding their annual golf outing at Downingtown Country Club. The purpose of this outing is to raise money to provide scholarships/grants for teens and young adults in need of extra financial support to help achieve their goals.

Billy's Legacy Foundation was established in 2007 as a tribute to our son, brother and friend, Billy Bauernschmidt, who tragically lost his life at 17. During his short life, Billy overcame various adversities and touched many lives in many different ways. This foundation was established to provide scholarships and/or grants to students who are involved in programs supporting continuing education, youth leadership or to students in need of grants for dependence recovery. Billy's Legacy Foundation also recognizes that teens and families experiencing devastating events are especially vulnerable and we strive to build a bridge of hope for these individuals by enabling them to choose life-affirming support at a critical time in their lives.

Sincerely,

The Bauernschmidt Family & Committee members
